1 INTRODUCTION, FORMAT AND TIMETABLE

1.1 Introduction

The 53rd European Teams Championships ("the Championships") are to be played under the auspices of the European Bridge League ("the EBL") in Groupama Arena in Budapest, Hungary commencing on Thursday 16th June 2016 and ending not later than Saturday 25th June 2016. The Championships consists of 3 Teams Championships: Open Teams Championship, Women's Team Championship and Seniors' Teams Championship.

The Championships will be governed by the Laws of Bridge 2007, the EBL General Conditions of Contest ("the GCoC", as published on the EBL website) and these Supplementary Conditions of Contest ("the SCoC"). Unless otherwise stated, or illogical in context, the definitions used in the GCoC apply also to these SCoC.

These SCoC may be amended and/or augmented, at the discretion of the EBL, if circumstances so warrant in order to ensure that the Championship can progress in a smooth, efficient and fair manner.

1.2 Format

All 3 Championships will be played as a single complete round robin. The number of boards played in each match will be determined and published when the number of participants is known.

The Open Championship will be played over 10 days, and the Women's Championship and Seniors Championship will be played over 7 days.

1.3 Draw

Prior to play an official draw for numbers in the schedule of play will be made and published in the programme and on the EBL website for the Championship. In the event of a variation in the number of teams participating, adjustments in the draw and schedule of play may occur. These will be notified in the daily bulletin or if necessary at the captains' meeting.

2.4 Team Members

In addition to a non-playing captain and a coach or team-manager, each team is entitled to have six members. Subject to the approval of the Credentials Committee the members of any team may be changed up to the time of commencement of play of the Championship.

If a country has submitted the names of fewer than six players, a fifth or sixth player may be added after the commencement of play, subject to the approval of the NBO concerned, the Credentials Committee and the Championship Committee.

Except with the permission of the Head Tournament Director or Championship Manager, such substitute or added player must use one of the systems already filed in accordance with Section 3.2 below.

No player may play in more than one Championship.

2.5 Credentials Committee

The names of the captain, coach and the other members of each team as submitted to the EBL website in accordance with 2.1.2 above will be transmitted to the Credentials Committee for consideration of approval of participation.

Only accredited people can enter the venue of the Championship.

2.6 Competitors' Commitment

Attention is drawn to Article 2.8 of the EBL GCoC. Players, Captains, Coaches and other Team Officials in Teams Championships are expected to sign the EBL Competitor's Commitment Form (see Appendix) before the start of the event.

3. SYSTEMS

3.1 Systems Policy

The EBL's Systems Regulations and Systems Policy (Revised Sep.2013) apply to these Championships. Category 1 systems and conventions are permitted in the Open and Women's Championships. Only Category 3 systems and conventions are permitted in the Senior Championship.

Both members of a partnership must adopt the same methods in the auction and in their carding.

The systems must be described on System (Convention) Cards and Supplementary Sheets in accordance with Section 11 of the GoC.

3.2 Submission of Systems (in all Championships)

Systems in all the Championships have to be registered with the European Bridge League by 23rd May 2016 by email to the Systems Administrator: anna@ecats.co.uk (See Section 11 of GCoC). Minor changes to systems (which may be clarifications, amendments, minor additions and/or cosmetic revisions) will be accepted by 1st June 2016. Later changes will only be accepted at the discretion of the Head TD or Championship Manager, who may impose conditions for acceptance.

The maximum number of Supplementary Sheets is six.

Pairs submitting Brown Sticker Systems must use the special forms provided which can be found in Appendices I and II of the EBL Systems Policy

<http://www.eurobridge.org/Data/Sites/1/media/documents/regulations/EBLSystemsPolicy.pdf>

The opponents' filed Systems will be made available on the Internet to all teams who have filed their Systems.

It is the obligation of each team to print and bring a sufficient number of copies of both opponents' and their own System Cards and Supplementary Sheets to the Championship. The EBL provides no facilities for teams to make copies at the venue.

4. RULES FOR RUNNING THE TEAMS MATCHES

4.1 Composition and seating of teams

4.1.1 Designation of teams

The team mentioned first in the schedule of matches printed in the programme is designated as the Home Team.

4.1.2 Line-up procedure

There will be no seating rights when teams without 'Highly Unusual Methods' play each other. Both captains submit their line up without knowing the line-up of their opponents.

Line-ups for a round have to be submitted within 15 minutes after the previous round has ended.

For the first round the details will be announced at the captains' meeting.

Teams who infringe this regulation will be subject to VP penalties according to this scale:

- 1st occasion a written (through the communication system) warning
- 2nd occasion ½ VP penalty
- Subsequently 1 VP penalty for each occasion.

These penalties will be applied automatically by the scoring system and can only be waived by the Championship Manager in exceptional cases.

4.1.3 Seating of Teams where no 'Highly Unusual Method' may be in use.

Where neither team contains any partnership that uses a HUM the following seating arrangements shall apply:

The Home Team sits throughout in the N/S position in the Open Room and in the E/W position in the Closed Room.

4.1.4 Seating of Teams where a 'Highly Unusual Method' may be in use by one team.

Where one team contains any partnership that uses a 'Highly Unusual Method' the following seating arrangements shall apply:

The team that does not contain any such partnership that uses a 'Highly Unusual Method', will always be the Home Team and gets seating rights. It gets an additional 5 minutes to submit the line-up knowing the line-up of its opponent. Furthermore a pair playing a 'Highly Unusual Method' has an obligation to be seated at the playing table 15 minutes before the start of the round when requested by their opponents. Notification of the request shall be given through the Championship's Communication System.

4.1.5 Seating of Teams where 'Highly Unusual Methods' may be used by both teams

Pairs playing 'Highly Unusual Methods' from both teams need to be seated 15 minutes in advance if either opponent so requires.

4.1.6 Seating of Teams where “Brown Stickers” may be in use

When a team contains any partnership that uses more than one “Brown Sticker” all the above mentioned rules adopted for HUM Systems will be applied.

4.2 Period of Play and penalties for slow play.

4.2.1 Start of the round

The period allowed is calculated from the commencement of the period of play and includes the time for system explanation and scoring procedure. Any team that is not seated and ready to play at the start of a period of play will be fined 1 VP and for each completed period of 5 minutes thereafter a further 1VP. Players are requested to be seated 5 minutes before the scheduled start of play. In case of any player entering the playing room after the commencement of the broadcasting of the match, the Director has to be satisfied that no useful information about already shown boards could have been passed to the late player and, if not, will take the necessary measures. Any team not seated within half an hour after starting time by its own fault forfeits the match and receives zero VPs.

If any team has been fined for being late at the commencement of a round the fines for slow play in the same round will be based on the time at which all players were seated at the table and ready to play.

4.2.2 End of the period of play.

(a) If at the end of the allocated time play has not been completed the following penalties will be imposed, eventually to be shared by the two teams according to the percentage of responsibility of each of them (but see 4.2.2 (c) below):

- from 0 to 5 minutes late: 1 VP.
- from 5 to 10 minutes late: 2 VPs.
- from 10 to 15 minutes late: 4 VPs.
- from 15 to 20 minutes late: 6 VPs.
- from 20 to 25 minutes late: 10 VPs.
- for delays of more than 25 minutes the Championship Committee may impose a more severe penalty.

(b) If a pair should claim that the responsibility for the slow play is with their opponents, they will do so by calling the Tournament Director who will take any corrective measures that are necessary in his opinion, including, at his discretion, the designation of a monitor at the table for as long as he considers desirable.

The Tournament Director will normally issue warnings when teams are in danger of penalties for slow play, but an absence of warning does not diminish the responsibility of the players or their liability to be fined.

If the two sides at the table are not considered to bear equal responsibility for the late finish the prescribed penalty will be divided between the two teams proportionately to the extent to which each side is deemed to have contributed to the overrun.

(c) The Head Tournament Director may remove unplayed boards from players if in his opinion a delay in finishing the match in the allotted time would interfere with the smooth running of the competition, but only if the board has not been played in the other room. If any such

unplayed board is removed the match will be scored on the results of the played boards, the Head Tournament Director will award 3 IMPs for each such unplayed board to the non-offending side (if any).

4.3 Playing Area

The Playing Area, as referred to in the GCoC, means the rooms where play takes place, the corridors surrounding them and the toilets.
Smoking is prohibited throughout the Groupama building.

4.4 End of rounds, results

4.4.1 IMP scale

The difference in the total point scores on each board is to be converted to International Match Points ("IMPs")

4.4.2 VP Scale

For each match there will be 20 Victory Points (VPs) at stake to be apportioned between the two teams in accordance with the VP scale published on the EBL site

4.5 Protest time

In respect of scores the protest time of all matches played in a day ends at the starting time of the first match on the day following, and in respect of the final day's play two hours after the official finishing time of the final match but, in any case, not later than the official starting time of the Closing Ceremony.

In respect of scores which are manifestly incorrect, protest time ends prior to the start of the penultimate round.

The time for a request for a TD ruling or for a review of a ruling already received ends 30 minutes after the end of the round.

4.6 Publication of decisions

All decisions involving play, penalties, deals, infringement of the Rules, etc., will be posted through the Championship's Communication System. However, the fact that a penalty has not yet been posted and that the attention of the players or captains has not yet been drawn to it does not nullify the penalty.

4.7 Byes, Ranking and Ties

4.7.1 Byes

In the event of a team having a bye in any session it will receive 12 VPs.

4.7.2 Ranking

Final rankings will be according to the total number of VPs scored by each team.

4.7.3 Ties

A tie between two teams will be broken in accordance with the result of the match between those two teams. If there should still be a tie, then the IMP quotient of all matches against the

same opponents will be taken into consideration to break the tie. Where more than two teams have the same number of VPs the tie will be decided by the result of the matches between those teams. If one of the teams has defeated all the other teams involved, it will be ranked ahead of the others regardless of the number of VPs obtained.

The other tied teams will be ranked according to the VPs obtained in the matches between them. If a further tie should still exist then the IMP quotient of all matches against the same opponents will be taken into consideration to break the tie.

5. DRESS CODE

The players must comply with the EBL Dress code.

6. AWARDS

The Open Trophy, Women Trophy and Jean-Marc Roudinesco Trophy will be awarded to the NBOs winning respectively the Open, Women and Seniors Championships. Replicas will be awarded to the captain, the coach and other members of the winning teams. The trophies are challenge trophies and will only be definitively awarded to an NBO which wins the championship three times.

Gold, Silver and Bronze EBL medals will be awarded to the captain, coach and members of the winning teams in each Championship. Winners will receive the title of European Champion.

Master Points will be awarded in accordance with the EBL Master Points scheme provided that the player has played at least one third of the boards played by his team.

The first 6 NBOs in the final ranking of the Open, Women and Seniors Championships, respectively, will have the right to participate in the Bermuda Bowl, Venice Cup and Senior Bowl at the World Team Championship 2017.

The winning teams from the national team championships of the first 10 NBOs in the final ranking of the Open Teams will have the right to participate in the 2016 and 2017 European Champions Cups.

7. CHANGES IN REGULATIONS

These Regulations may be amended and augmented at the discretion of the EBL if circumstances so warrant so as to ensure the smooth, efficient and enjoyable running of the Championship.

8. CONFLICTING REGULATIONS

In case of a conflict between these Regulations and the General Conditions of Contest, these Regulations shall prevail.

Matters not regulated here are governed by the General Conditions of Contest and the Laws of Contract Bridge.
